

Art & Design and the Built Environment Research Conference and Festival, 7 July 2011
Conference programme

09:00	Welcome NEWC103 Ann Priest, Head of College and PVC	Welcome NEWC103 Ann Priest, Head of College and PVC	Welcome NEWC103 Ann Priest, Head of College and PVC	Welcome NEWC103 Ann Priest, Head of College and PVC
	Parallel Session 1 Professor Tom Fisher (Chair)	Parallel Session 2 Professor Chris White (Chair)	Parallel Session 3 Professor Tim Cooper (Chair)	Parallel Session 4 Professor Lei Cox (Chair)
	LT3 (70)	N25 (40)	N26a&b (36)	N27a&b (36)
	Design History and Visual Culture	Narrative and Interactive Arts	Sustainable Consumption	Photography
09:30	Vanessa Brown - JDH paper	Julius Ayodeji & Rebecca Gamble - Writing for audiences	Daniel Shin - Self powered products	Lei Cox - Sun dial and camera obscura
10:00	Emma Ferry - The other Miss Faulkner: the search for Lucy Orrinsmith	Sean Myatt - Sustainable theatres	Vaeovan Saicheua - Sustainable fashion supply chain	Katja Hock - Rome
10:30	Linda Marchant - Across the production chain: Fifties film stills	Simon Perkins - Folksonomy: scaffolding the process of conceptualisation	Chris Heuvel - Greening the design practice	Max Kandhola - Sabbatical and Research archive
11:00	Break NEWC103	Break NEWC103	Break NEWC103	Break NEWC103
	Objects, Practices, Experiences & Networks (OPEN)	Narrative and Interactive Arts	Sustainable Consumption	Photography / Graphics
11:15	Nicola Donovan and Tom Watts, Film maker - Do not touch-cursed artefact	Shaun Belcher - Track: Metaphors and a sense of belonging in a networked field of vision	John Greenwood - Highway design	David Reid - Perceptions of Practice
11:45	Sarah Kettley - Forging a new community of craft practice; precious metal clays	Matt Hawthorn - Pervasive narratives - interpreting human environments	Tim Cooper - Product longevity	Tony Crabbe - Three strategies for sustainable design in the developing world
12:15	Kath Townsend - The Denim garment as canvas: exploring the notion of wear as a fashion and textile narrative	Kate Burnett - Drawing to Design	Phil Breedon -	Andy Lock - Some Dwellings: an exploration of structures with the semblance of dwellings
12:45	Lunch NEWC103	Lunch NEWC103	Lunch NEWC103	Lunch NEWC103

PM Session continued over page

PM	Parallel Session 1 Professor Terry Shave (Chair A) / Professor Tim Cooper (Chair B)	Parallel Session 2 Professor Daizhong Su (Chair)	Parallel Session 3 Professor Michael White (Chair A) / Professor Mike Hoxley (Chair B)	Parallel Session 4 Professor Soumyen Bandyopadhyay
	LT3 (70)	N25 (40)	N26a&b (36)	N27a&b (36)
	Objects, Practices, Experiences & Networks (OPEN) (A)	Advanced Design and Manufacturing Engineering	Property and Planning (A)	Architectural Design and Global Difference
13:30	Tom Fisher - Everyday judgements about plastic detritus	Daizhong Su - An integrated approach for sustainable product design	Mike Hoxley - UK Building Surveying Education: the graduate's view	Ana Souto - The Mexican Network of National Museums: creating new spaces for a modern identity
14:00	Eliuned Edwards - The global trade in Indian textiles from antiquity to the eighteenth century	Adam Jones - The Learning and Support Preferences of older adults with Information and Communications Technologies (ICTs)	Joanna Poon - Real estate employability: differing perceptions of graduates from undergraduate and postgraduate courses	Nishan Wijetunge: The role of Tropical Modernism in postcolonial elite domestic architecture of Ceylon
14:30	Alice Dallabona - Brand extension within the Italian luxury fashion industry. The case of Missoni Hotel	Jose Casamayor - Environmental impact assessment of lighting products	Keith Lown - Investment agency practice in the UK	Lindsay Purssord - Streetlife: the contemporaneous heritage of Old Market Square
15:00	Break NEWC103	Break NEWC103	Break NEWC103	Break NEWC103
	Product Design (B)	Advanced Design and Manufacturing Engineering/ Construction Management	Property and Planning (B)	Architectural Design and Global Difference / Lean Project Management
15:15	Jamie Billing & Tracy Cordingley - Democratising product design through open source software, collaborative working methods and new professional practice	Jabbar Abbas - The comparison between Power and Eddy Current Sensors in the detection of tool condition in Milling Processes	Simone Allin - Critical analysis of economic valuation tools for environmental policy and decision making in Europe	Guillermo Garma Montiel - Constructing symbols of national identity in Mexico City: from La Columna de la Independencia (1910) to the Bicentennial Arch (2010[1])
15:45	Les Arthur - Going For A Walk Whilst Sitting Down	Amin Al-Habaibeh - Assessment of the thermal insulation of a Grade II* 1960s listed building, a case study from Nottingham	Qiulin Ke - What affects the discount to NAV of UK listed property companies?	Alina and Tom Hughes - Dual perspectives on modernisation in Romania's heritage villages
16:15	Emhamad Hamad - Fostering Innovation through business incubators in the Arab World	Wenjie Peng -	Rebecca Goodall - NAV discounts in European listed property companies: A panel regression approach	Giamila Quattrone - Shrinking settlements between permanence and change: a cross-cultural perspective
16.45	David King - An exploration of shapes in a hexagonal grid	Abdelsalam Saad - The Investigation of Implementing Total Quality Management In Libyan Food Industry	Michael White - Property booms and busts: Retail and office yield trends	Haitham Al-Abri: The persistent echo of the traditional in modernity: the lost and found identity in central Oman
17.15	Luke Harmer - Experience Sections: A reflection on the suitability of a design tool in higher education	Roy Morledge-Further Education Colleges as agents for construction innovation	Ianakiev, Anton and Cheah, Hooi - Use of plastic composite materials in construction industry	Christine Pasquire - The Centre for Lean Projects @NTU - Building an International Research Centre
17.45	Closing address Steve Goodhew – ADR and Professor of Sustainable Technologies	Closing address Steve Goodhew – ADR and Professor of Sustainable Technologies	Closing address Steve Goodhew – ADR and Professor of Sustainable Technologies	Closing address Steve Goodhew – ADR and Professor of Sustainable Technologies
